THE HON. SRI C. SUBRAMANIAM :—" (*a*) No, Sir.

" (*b*) Does not arise."

SRI G. KRISHNAMOORTHI :—" As I have information that an application for temporary exemption has been submitted by a teacher who has not been paid salary throughout the school-year, will the Government kindly see that he is given exemption? "

SRI G. KRISHNAMOORTHI :—" I am referring to the application of one untrained teacher working in a Secondary School in Ramachandrapuram who has been working throughout this year without receiving salary. Will the Government kindly look into it? "

THE HON. SRI C. SUBRAMANIAM :—" These individual cases need not be referred to in the House in the form of a question. Individual representation can be made to the Minister."

Resolutions submitted by the Tenth Conference of the Tamil Nad Village Officers' Association held at Madras

* 286 Q.—SRI P. P. UMMER KOYA (on behalf of Sri T. Purushotham): Will the Hon. the Minister for Land Revenue be pleased to lay on the table of the House a copy of the resolutions submitted to Government by the Tenth Conference of the Tamil Nad Village Officers' Association held at Madras in 1953, showing the orders passed or action taken by Government on each of the resolution?

THE HON. SRI M. A. MANICKAVELU :—"A statement[a] is placed on the table of the House."

SRI T. PURUSHOTHAM :—"With reference to Resolutions Nos. 13 and 14 contained in the Statement placed on the table of the House, it is stated that the principle has been accepted by the Government but the question has been deferred for the present. May I know why it has been deferred?"

THE HON. SRI M. A. MANICKAVELU :—"The hon. Member ought to have known the implications of it by now. We have to find finances and that too a big sum for implementation. That is the only reason why it has been deferred."

SRI T. PURUSHOTHAM :—"May I know whether the Government have considered, in disposing of these cases, the recommendations of the Subrahmanyam Committee with regard to the hereditary system of village officers, etc., and if so, what the decision of the Government is in respect of these matters?"

THE HON. SRI M. A. MANICKAVELU :—"That is a big question which will probably come under the general land revenue reform."

SRI T. PURUSHOTHAM :—"With reference to the answer just now given by the Hon. Minister, may I know whether the Government would consider the appointment of a committee of officials and non-officials to consider the hereditary system and other resolutions passed at the Conference of Village Officers, on which action has not been taken so far?

THE HON. SRI M. A. MANICKAVELU :—"I submit that no committee is necessary. What is wanted is more money. Therefore, let the hon. Member suggest some way of getting more money."
